Both in the Wheeling and South Side  
bowling leagues last evening good scores  
were made, and although the South Side  
club made a great effort to put a team  
score mark higher than any club has  
done thus far in either league, they  
failed to reach the Providence's 827 by  
four pins, while on the other hand The  
Brownies, who defeated the Calumet  
crowd two straight, broke the record,  
making 880, a figure that is likely to  
stand for some time.

The Brownies-Calumet games were  
played at Wheeling Park, and although  
the Calumets put up two good games they  
were not good enough to win. In the  
first game Hervey led in individual  
work with 160, and Cameron was the  
best Calumet player, making 139. The  
score:

The Brownies—Hervey, 4, 3, 156;  
Dr. Hinden, 3, 2, 6, 133; McLure, 3, 2, 6,  
153; Robinson, 0, 2, 8, 104; Simpson, 3,  
3, 4, 143; Ewing, 0, 4, 6, 123; total, 13,  
16, 31, 812.

Calumet—Truschel, 1, 3, 6, 128;  
Weitzel, 2, 2, 8, 110; A. Welty, 1, 5, 4,

9, 95; Cameron, 1, 5, 4, 139; total, 6, 18,  
36, 739.

In the second game "Jim" Ewing  
rolled a great game, 168, second best  
individual score of the week. McLure  
and Robinson, also of The Brownies,  
were not far behind. The score:

The Brownies—Hervey, 0, 3, 7, 115;  
De Hinden, 2, 4, 4, 140; McLure, 4, 2, 4,  
160; Robinson, 2, 5, 3, 164; Simpson, 1,  
3, 6, 127; Ewing, 6, 1, 4, 168; total, 14,  
18, 28, 880.

Calumet—Truschel, 2, 4, 4, 148; Wei-  
zel, 0, 5, 5, 131; A. Welty, 2, 2, 6, 127;  
J. Welty, 4, 2, 4, 157; Murphy, 2, 2, 6,  
128; Cameron, 2, 0, 8, 112; total, 12, 15,  
33, 803.

ON THE SOUTH SIDE.  
The South Side team, the one that car-  
ried off last season's Wheeling Bowling  
League pennant after a most exciting  
race, last evening made a good start in  
the new South Side league, winning a  
double header from the Excelsior club.  
In the opening game H. Beiswanger  
and D. Beiswanger did the best work.  
The score:

South Side—Spiedel, 4, 0, 6, 133;  
Marachner, 1, 5, 4, 133; Dudley, 0, 4, 6,  
130; Burlage, 2, 2, 5, 149; Travis, 1, 1, 8,  
110; Handlan, 2, 3, 5, 137; total, 11, 15,  
34, 783.

Excelsior—D. Beiswanger, 2, 3, 5, 130;  
Medick, 2, 2, 6, 122; Shai, 0, 1, 9, 88;

142; Dannenberg, 1, 4, 5, 133; total, 8,  
13, 39, 719.

The second game resulted in a de-  
cided defeat for the Excelsiors, the  
South Siders making the very credi-  
table team score of 823. In individual  
work Handlan and Dudley led. The  
score:

South Side—Spiedel, 2, 3, 5, 148;  
Marachner, 0, 3, 7, 114; Dudley, 2, 5, 3,  
154; Burlage, 3, 1, 6, 133; Travis, 0, 4, 6,  
122; Handlan, 2, 5, 3, 152; total, 9, 21,  
30, 823.

A Great Game.  
The game of foot ball on the Island  
between the Linslys and the Junior  
Vigilants, of Martin's Ferry, was a re-  
markably fine contest, and in the two  
halves neither side was able to score.  
The Linslys will play Trinity Hall's  
team at Washington, Pa., Saturday  
afternoon, and a fine contest may be  
looked for.

"Buck" Gets Wrothy.  
PITTSBURGH, Oct. 25.—A. C. Bucken-  
berger was very angry to-day when  
shown the Associated Press interview  
with Von Der Ahe, of St. Louis, saying  
that he had written asking for a posi-  
tion in St. Louis before the American  
Association movement had gone down  
here. Buck says it is untrue and that  
Von Der Ahe has injured him greatly  
by making such a statement. Said he:  
"I never telegraphed or wrote that man  
about anything; I would not go to a  
city where he owned a club. He says  
he has a letter from me—let him pro-  
duce this letter if he can."

Providence Races.  
PROVIDENCE, R. I., Oct. 25.—Execrable  
weather prevailed at Narragansett

Races at Louisville.  
LOUISVILLE, Ky., Oct. 25.—To-day's  
sport at the Downs was good and the  
crowd the largest of the meeting, be-  
tween 5,000 and 6,000 people being pre-  
sent. The management of the associa-  
tion is very much elated over the suc-  
cess of this, the initial meeting. The  
weather was fine and the track slow.  
Flying Jib went an exhibition mile in  
2:03, which, considering the slowness  
of the track, was equal to 2:00 1/2 clip.  
Robert J. also paced an exhibition mile  
in 2:07 flat. To-morrow Alix will go a  
fast mile. Summary:  
2:14 class, pacing (postponed from  
yesterday)—Sable Gift won; Nellie O.

Box won in three straight; Sallie Bron-  
ston second; Bright Light third. Time,

The St. Asaph Runners.  
WASHINGTON, D. C., Oct. 25.—Big odds  
favorites captured three of the six races  
at St. Asaph to-day and long shots the  
other three, so that the bookmakers  
gave the talent quite the worst of the  
sport.

First, five furlongs—Jack of Spades  
won; Wernberg second; Governor Fifer  
third. Time, 1:03.  
Second, one mile—Song and Dance

TERRIBLE EXPLOSION  
On Board a French Cruiser—Several Are  
Killed and Injured.  
BREIST, Oct. 25.—An explosion took  
place to-day on board the French cruiser  
Artus while her engines were being  
tested preparatory to sailing for the  
east in order to reinforce the French  
squadron in Chinese waters, if such a  
step should be necessary. Six men were  
killed and twenty others were badly  
scalded.

The first reports of the disaster which  
reached the shore magnified it consid-  
erably, and it was generally believed  
that one of the cruiser's boilers had  
burst. It is now believed, however,  
that the explosion was due to the bursting  
of a steam pipe.

The disaster naturally caused great  
excitement ashore and about the docks,  
and this was increased when it was dis-  
covered that fire had broken out on  
board the cruiser. The situation on  
board the warship finally became such  
that her commander brought her along-  
side one of the docks here, and the  
flames had to be extinguished by the  
crew, reinforced by detachments of  
marines and sailors from the dock yard,  
before the wounded could be ex-  
tricated.

A FEMALE SPY  
Secures Valuable Information From Jap-  
anese Officers.  
VANCOUVER, B. C., Oct. 25.—Among  
advises by the Empress of China is  
news of the arrest at Hiroshima of a fe-  
male spy, who gives her name as Otia.  
She has been using her wiles with effect  
among the Japanese officials, and had  
several of them at her beck and call,  
with the result that she was piling up  
a magnificent load of information for Wil-  
liam H. Hung Chang, one of whose ex-  
tensive household, it appears, she was a  
member. She is beautiful and accom-  
plished in seductive gifts, and as she  
spoke Japanese fluently was admirably  
fitted for the work for which she was  
assigned. Her recent betrays her Chi-  
nese birth. The officers who have been  
paying for her smiles with military se-  
crets will pay the penalty of their rash-  
ness.

Steuenville Notes.  
Special Dispatch to the Intelligencer.  
STEUENVILLE, O., Oct. 25.—H. H.  
Cogill, a merchant of Amsterdam, as-  
signed to-day to John T. Cogill, of Car-  
roll county. Liabilities, \$5,000; assets,  
\$4,300.  
Because of a neighborly disagreement  
between the Walker and Sanders fami-  
lies, in the Fifth ward, a twenty-foot  
fence has been erected between the  
houses. Threats to tear it down are  
made.

New Steamship Line.  
PORTLAND, Ogn., Oct. 25.—Receiver  
McNeill, of the Oregon Railway & Nav-  
igation Company, has under considera-  
tion a project for the establishment of a  
steamship line between Portland and the  
orient. Negotiations in this direction  
have not as yet proceeded far enough  
for definite information on this subject  
to be given out by the officials, but they  
make no secret of the fact that such a  
line is part of their plans for building  
up the local and through business of  
the rail lines.

Died Together.  
WATERBURY, N. Y., Oct. 25.—James  
Pierce, aged twenty-seven, and wife  
came to this city from Ontario a few  
days ago and registered at the Harris  
House. Because of financial difficulties  
they decided to die together. Pierce is  
a native of Bristol, England. This morn-  
ing he administered chloroform in an  
overdose to his wife and then took  
poison himself. Pierce is dead. Mrs.  
Pierce will recover. The couple were  
married three weeks ago at Kingston,  
Canada.

Epidemic Among Horses.  
PITTSBURGH, Pa., Oct. 25.—An epidemic  
of influenza is prevalent among horses  
in the East End. It was stated to-day  
that three-fourths of the horses in the  
district are suffering from the disease,  
which is said to be spreading with  
alarming rapidity. The public water  
troughs communicated the disease,  
which is principally among the working  
horses, and as a consequence many  
firms and teamsters are crippled in busi-  
ness.

Hoon's Sarsaparilla, acting through  
the blood, reaches every part of the sys-  
tem, and in this way positively cures  
catarrh.

Are You Ever Annoyed  
by a buzzing or roaring sound in your  
head? Have you difficulty in hearing  
distinctly? Are you troubled with a  
continual dropping of mucus, irritating  
the throat and causing you to cough?  
Is your breath unpleasantly affected  
and accompanied with bad taste? Is  
your hearing less acute? If so you  
have catarrh and should at once pro-  
cure a bottle of Ely's Cream Balm, the  
best known remedy. The Balm will  
give instant relief.

MAINTAINING THE FERRY.  
Haps and Mishaps in the Thriving City  
Across the River.  
Last evening Mr. J. T. Hanes said: "I  
have been in the real estate business for  
fifteen years, and never in that time has

and take whatever they can get for their

Warning to Expectant Mothers.  
Many infant remedies are being skill-  
fully and glibly advertised, professing to  
shorten labor, lessen Pains of Child-  
birth, etc., and with wonderful inconsis-  
tency to induce constipation. Common  
sense should teach any woman that a pre-  
paration adapted for  
MENSTRUAL DISORDERS  
will not prepare the system for Child-  
birth; on the contrary, INTERNAL REME-  
DIES at this time may imperil her life. We  
earnestly say Beware of all such; they  
cause at this critical period, do any pos-  
sible good, and their use may prove fatal.  
It is only by persistent EXTERNAL treat-  
ment while enacting, thus relaxing and  
softening all the parts, that the hour of  
Child-birth is robbed of its terror; and no  
remedy on earth does this but  
... "MOTHER'S FRIEND."

Every mother should know that  
croup can be prevented. The first sym-  
ptom of true croup is hoarseness. This  
is followed by a peculiar rough cough.  
If Chamberlain's Cough Remedy is  
given freely as soon as the child be-  
comes hoarse or even after the cough  
has developed it will prevent the at-  
tack. 25 and 50 cent bottles for sale by  
Chas. R. Goetz, Will W. Irwin, Chris.  
F. Schnepp, Chas. Menkenmiller, Wm.  
E. Williams, S. L. Price, A. E. Scheele,  
Will Menkenmiller, John Coleman,  
Richards & McKelroy, W. H. Hogue,  
Wheeling; Bowie & Co., Bridgeport, and

Warning to Expectant Mothers.  
Many infant remedies are being skill-  
fully and glibly advertised, professing to  
shorten labor, lessen Pains of Child-  
birth, etc., and with wonderful inconsis-  
tency to induce constipation. Common  
sense should teach any woman that a pre-  
paration adapted for  
MENSTRUAL DISORDERS  
will not prepare the system for Child-  
birth; on the contrary, INTERNAL REME-  
DIES at this time may imperil her life. We  
earnestly say Beware of all such; they  
cause at this critical period, do any pos-  
sible good, and their use may prove fatal.  
It is only by persistent EXTERNAL treat-  
ment while enacting, thus relaxing and  
softening all the parts, that the hour of  
Child-birth is robbed of its terror; and no  
remedy on earth does this but  
... "MOTHER'S FRIEND."
